# ARE YOU A VETERAN?

The veterans Small Business Enhancement Act is one way the country is giving back to its veterans. Signed into law on January 3, 2019, it facilitates the acquisition of working capital for veterans looking to:

Buy Profitable Business

Expand Existing Business

Start a New Business

## Qualifications-

Min Credit score: 680

Min Yearly Income: \$50k

**VETERAN**  
OWNED BUSINESS

## BUSINESS LOAN Programs

### SBA LOAN

Low-interest, government-backed loan, with the longest term and lowest rates available, repaid monthly. This option is for veterans looking to start, expand or buy a business. Amount: \$350,000 — \$5000,0000, Rate: Starting at 5% (Term: 3 to 25 years)

### TERM LOAN

Loan that your business receives in one lump sum that you pay back in predetermined payments with a fixed interest rate. Amount: Up to \$300K, Rate: 5% to 15% (Term: 3 months- 10 years)

### CREDIT REPAIR

For those who do not meet the credit score requirement, we place them through the best credit repair program. They would be able to qualify for the loan programs after their credit has been restored.
